Children Playing

There are kids in the neighborhood that play unsupervised and often run and bike through graveled areas in yards, which sprays the gravel in to the sidewalk and street. Please talk to your children about NOT doing this. Also there are often children playing in the streets and cars are speeding through. With vehicles parked on the street it is very dangerous. Many run the stop signs in the neighborhood. Please slow down, and please watch your children! Let's stay safe! Thank you!

ARCHITECTURAL CONTROL COMMITTEE

The ACC meets as needed. Please submit all plans/applications to F1 Property Management to get approval for any changes or additions to your lot.

RV PARKING

RV's can only be parked for up to TWO days in preparation for use. If you store your RV off-site and park it in the street to get it ready to use, please make sure you abide by this time frame.

YARD MAINTENANCE

Please take time to spring clean your yard! Weeds should be sprayed and removed and maintenance should be regularly done. Check your gates to make sure they are in good repair.
